## IMPORTANT

**CONFIDENTIAL — LICENSED USE ONLY.** This Helpen Deep Diligence Report (the "Report") is provided solely to [Client Legal Name] under a limited, revocable, non-exclusive, non-transferable license for internal evaluation of [Purpose]. No copying, quoting, or distribution to any third party without Helpen's prior written consent.

Client may share only with its outside legal counsel, tax/accounting advisors, and financing sources who have a need to know, are bound by written confidentiality obligations no less protective than this legend, and for whom Client remains responsible.

The Report (including any risk indicators such as LORI) may include third-party data and forward-looking or probabilistic analyses; it is provided as of [Date], may be incomplete or become inaccurate, and Helpen has no duty to update. The Report is not legal, tax, accounting, engineering, or investment advice, and is not an offer or solicitation. Provided "AS IS", without warranties of any kind.

To the maximum extent permitted by law, Helpen's aggregate liability is limited to the fees paid for this Report, and no indirect, special, incidental, consequential, exemplary, or punitive damages are recoverable. All IP remains with Helpen.

If disclosure is legally required, Client will (to the extent lawful) notify Helpen, disclose only what is required, and mark it confidential. By opening or using the Report, Client accepts these terms, which apply even without a separate NDA.

This report synthesizes publicly available information through AI-powered analysis. All findings are citation-backed and sourced from government records, meeting minutes, news articles, and public documents. Information is current as of the analysis date. Independent verification is recommended for all business decisions.
